SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. Significant accounting policies

Basis of Accounting

The Accounts of the company are prepared to comply with all material aspects of the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The Financial Statements have been prepared under the historical cost Convention in accordance with the Generally Accepted Accounting Principles in India (GAAP). The accounting policies have been consistently applied by the Company. All Income and Expenditure having a material bearing on the financial statements are recognized on accrual basis.

Revenue recognition

Revenue is recognized on transfer of all significant risks and rewards of ownership to the customer and when no significant uncertainty exists regarding realization of the consideration. Service charges is recognized on completion of work and billed to clients.

Earnings per share

The Company reports basic and diluted earnings per equity share in accordance with Accounting Standard 20, 'Earnings per Share'. Basic earnings per equity share are computed by dividing net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year except where the result would be anti-dilutive.

Inventories

Inventories are valued at lower of cost or Market Value.

Fixed assets and depreciation

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use. Employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by employees is recognized during the period when the employee renders the services. These benefits include salaries, bonus and performance incentives.

Investment

Investments are classified into current and long term investments. Current Investments are valued at lower of cost and fair value. Long term Investments are stated at cost less provision, if any, for other than temporary diminution in their value.

Taxes on Income

Income tax comprises current tax and deferred tax. Current tax is recognized in accordance with the provisions of the Income-tax Act, 1961.

Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods, subject to the consideration of prudence. Deferred tax assets and liabilities are measured using the tax rates enacted or substantively enacted at the balance sheet date.

Deferred tax assets on unabsorbed depreciation and carry forward losses are not recognized unless there is virtual certainty that there will be sufficient future taxable income available to realize such assets.
