

The image displays a set of architectural drawings for a building project. The drawings include:

- Site Plan:** Located at the top left, showing the building's footprint, parking areas, and surrounding context. It includes a north arrow and a scale bar.
- Floor Plans:** Multiple floor plans are shown, including the Ground Floor Plan, First Floor Plan, and Second Floor Plan. These plans detail the layout of rooms, corridors, and structural elements. They include room numbers, names, and dimensions.
- Elevations:** The Front Elevation and South Side Elevation are shown on the right side of the image. They provide a visual representation of the building's exterior facade, including window placements and architectural details.
- Sections:** Section A-A and Section B-B are shown, providing a cross-sectional view of the building. These sections illustrate the internal structure, including the roof, floors, and foundation.
- Details:** Various details are provided, such as the Detail of Rafter Tank & Board, Detail of Rafter Tank & Board, and Detail of Rafter Tank & Board. These details show the construction of specific building components.
- Legend:** A legend is located at the bottom left, defining the symbols used in the drawings. It includes symbols for walls, doors, windows, and other architectural elements.

The drawings are presented in a clear and organized manner, with labels and dimensions provided for each element. The use of different line weights and shading helps to distinguish between different parts of the building and its components.
