RISK MANAGEMENT

Risks are events, situations or circumstances which may lead to negative consequences on the Company's businesses. Risk management is a structured approach to manage uncertainty. A formal enterprise wide approach to Risk Management is being adopted by the Company and key risks will now be managed within a unitary framework. As a formal roll-out, all business divisions and corporate functions will embrace Risk Management Policy and Guidelines, and make use of these in their decision making. Key business risks and their mitigation are considered in the annual/strategic business plans and in periodic management reviews. The risk management process in our multi-business, multi-site operations, over the period of time will become embedded into the Company's business systems and processes, such that our responses to risks remain current and dynamic.

INTERNAL FINANCIAL CONTROLS

The Companies Act, 2013 re-emphasizes the need for an effective Internal Financial Control system in the Company. The system should be designed and operated effectively. Rule 8(5) (viii) of

Companies (Accounts) Rules, 2014 requires the information regarding adequacy of Internal Financial Controls with reference to the financial statements to be disclosed in the Board's report. To ensure effective Internal Financial Controls the Company has laid down the following measures.

1. The internal financial control systems are commensurate with the size and nature of its operations.
2. All legal and statutory compliances are ensured on a monthly basis. Non-compliance, if any, is seriously taken by the management and corrective actions are taken immediately. Any amendment is regularly updated by internal as well as external agencies in the system.
3. Approval of all transactions is ensured through a preapproved Delegation of Authority Schedule which is reviewed periodically by the management.
4. The Company follows a robust internal audit process. Transaction audits are conducted regularly to ensure accuracy of financial reporting, safeguard and protection of all the assets.
