SIGNIFICANT ACCOUNTING POLICIES & NOTES
NOTES FORMING PART OF ACCOUNTS FOR THE YEAR ENDED ON 31.03.2023

1.0 NATURE OF FIRM

1.1

Name of the Firm:-	AMAR CONSTRUCTION COMPANY
Name of Signing Partner:-	Abhishek Singh -Partner.
Address of the Firm:-	PRAFULLA RESIDENCY, CENTRAL CHOWKIDINGEE, DIBRUGARH -786001

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements have been prepared to comply with Generally Accepted Accounting Principles in India (Indian GAAP), including the Applicable Accounting Standards issued by the Institute of chartered accountants of India (ICAI).

The financial statements are prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except where a newly issued Accounting Standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Further, the Assessee is a Small and Medium Sized Concern (SMC) as defined in the General Rules 2006. Accordingly, the Firm has complied with the Accounting Standards as applicable to SMC only for the items which are material in nature.

1.3 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amount of assets and liabilities and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

1.4 FIXED ASSETS

Tangible Assets:

Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment loss, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost, any cost directly attributable to bringing the asset to its working condition for its intended use. No foreign transactions have been entered into and as such no impact and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets are as such not applicable. No revaluation has been carried during the year.

Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Projects under which assets are not ready for their intended use are disclosed under Capital Work- in - Progress. During the year there is no such Capital Work in Progress carried out by the firm.

Intangible Assets:

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises its purchase price, borrowing cost, any cost directly attributable to bringing the asset to its working condition for its intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. But no intangible assets are being part of the financial statements.

1.5 DEPRECIATION, AMORTIZATION AND DEPLETION

Depreciation is provided on "Diminishing Balance Method" on rates prescribed under the Income Tax Act, 1961.

IMPAIRMENT

- 1.6 Assessee is maintaining fixed assets details on block concept as per the provisions under the Income Tax Act 1961 and also no separate fixed asset register is maintained. Hence impairment provisions, if any, are not recognized in the books of accounts.

1.7 FOREIGN CURRENCY TRANSACTIONS

Initial recognition:

Foreign currency transactions are recorded in the reporting currency by applying the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when such values were determined.

Exchange differences:

Exchange differences arising on the settlement of monetary items or on reporting the Entity's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they occur. **No foreign currency transactions have been entered into by the firm during the year as appears from the examination of their books of account.**

1.8 GOVERNMENT GRANTS

Grants and subsidies from the government are recognized when there is reasonable assurance that

- (i) the Entity will comply with the conditions attached to them, and
- (ii) the grant/subsidy will be received.

When the grant or subsidy related to revenue, it is recognized as income on a systematic basis in the Profit and Loss Account over the periods necessary to match them with the related costs, which they are intended to compensate.

Where the grant is related to an asset the grant is shown as a deduction from the gross value of the asset concerned in arriving at its book value. The grant is thus recognized in the profit and loss statement over the useful life of a depreciable asset by way of a reduced depreciation charge

When the Entity receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value. Government grants of the nature of promoters' contribution are credited to capital account and treated as a part of the Partners Funds / Capital.

There is no such grants received by the firm during the year.

1.9 INVESTMENTS

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Profit and Loss Account.

Investment in property.

An investment in land or buildings, which is not intended to be occupied substantially for use by, or in the operations of, the Entity, is classified as investment property. Investment properties are stated at cost. The cost comprises purchase price and directly attributable cost of bringing the investment property to its working condition for the intended use.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Profit & Loss Account.

2.0 INVENTORIES

Inventories are valued at estimated cost using Retail Method cost formula or net realizable value whichever is lower. In the absence of quantitative details of inventories and material are directly consumed at the Project site, no specific inventory records are maintained.

2.1 REVENUE RECOGNITION

Revenue is recognized to the extent, that it is probable that the economic benefits will flow to the Entity and the revenue can be reliably measured.

2.2 EXPENSES

Expenses are accounted on accrual basis and provisions are made for all known liabilities and losses based on available information except permit room license renewal fees accounted on cash basis.

2.3 BORROWING COSTS

Incurrd for the Purchase of Fixed Assets

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

2.4 INCOME TAXES

Income Tax for the financial year 2021-2022 Rs.3076741.00 have been paid by the firm . That for the Current financial year 2022-2023 Income tax which is measured at the amount expected to be paid to the tax authorities have been paid in respect of taxable income of the financial year 2022-23 Rs.27,13,295/= by using the applicable tax rates. Deferred tax assets and deferred tax liabilities as on the date of the balance sheet, if any, are not recognized in the books of accounts.

2.5 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

NIL

The Entity creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

"A provision is recognized when an entity has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent Liabilities are disclosed when the entity has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation.

" A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets are neither recorded nor disclosed in the financial statements.

2.6 Comparatives

Comparative financial information is presented in accordance with the 'Corresponding Figure' financial reporting framework set out in Auditing and Assurance Standard 25 on 'Comparatives'. Accordingly, amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements, and are to be read in relation to the amounts and other disclosures relating to the current year.

2.7 ASSETS TAKEN ON LEASE/HIRE

Leases under which the Entity assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalized at fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

The cost of leasehold land is amortized over the period of the lease. Leasehold improvements and assets acquired on finance lease are amortized over the lease term or useful life, whichever is lower.

No such lease agreement has been provided to us for our verification and no such entries of lease agreements have been provided in the books of accounts, as such we are unable to comment on the same.

2.8 EMPLOYEE RETIREMENT BENEFITS

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit & Loss of the year in which the related service is rendered.

Long term employee benefits comprising of contribution to provident fund and other employee benefits wherever applicable are accounted for on the basis of contribution to the respective schemes. No provident fund of the employees have been opened as yet, as the Firm states that most of works are executed on contractual basis. The office staff is much below the prescribed rate 20 persons.

2.9 DEBTS

Debts considered irrecoverable are written off from the books of accounts. No debts have been written off during the year.

3.0 PRIOR PERIOD INCOME / EXPENSES

No Material items of prior period income / expenses have come to our notice.

3.2 Dues to Micro Small & Medium Enterprises.

There are no Micro, Small and Medium Enterprises to whom amounts are outstanding for more than 45 days as at the year end. No supplier has intimated the Firm about its status as Micro or small Enterprises or its registration with the appropriate Authority under 'The Micro, Small and Medium Enterprises Development Act, 2006
