CORRIGENDUM TO PROCEEDING DATED 20-05-2022

19-09-2022

This matter was last heard on 20-05-2022.

On the perusal of proceeding dated 20-05-2022, it is apparent that in the direction part instead of section 40(1), it is mentioned as section 40(2) of the RERA Act, 2016 due to typographical error, hence, the proceeding dated 20-05-2022 in direction part to be read as section 40(1) instead of Section 40(2).

The direction part of the proceeding stands amended as indicated above.
