Notice

In order to avoid litigation pertaining to the issue regarding share of promoter and landowner in the project available for selling and marketing, a notice was issued earlier by this Authority on 01.07.2022 vide No.-60 for disclosure of share of promoter in the project through an Affidavit. It has, however been noticed that in some cases promoters submit the memorandum of division of share signed between Promoter and landowners on stamp paper in compliance of one of the conditions of development agreement.

After due consideration, it has now been decided by Authority that promoter would henceforth submit the details of division of share of the project available for marketing and selling on Affidavit duly executed between Promoter and landowner/s in the attached format with the application to be submitted for the registration of Project.

This comes into force with immediate effect for all the applications to be submitted henceforth for registration.

This issues with the approval of competent authority.
